Not a hoax! Not a dream! The fun-loving teens of Riverdale collide with the crooked supercriminals of Twilight City in the most bombastic crossover of the year! It's your favorite high schoolers forced to FIGHT your favorite costumed villains in a story that will have lasting ramifications for all involved!

ARCHIE, BETTY, VERONICA, JUGHEAD and friends are on on their way to a field trip to Twilight City when the magical meddling of SABRINA THE TEENAGE WITCH lands them in the seedy underbelly of Redport, the most villainous part of town, controlled by Frankie Follis, AKA PLAYTIME, and her gang of MINOR THREATS. Archie and the others suddenly find themselves drafted into both sides of the war Playtime is waging against magic users in her turf. One thing is for sure . . . blood and milkshakes will be spilled!

Issue one of the four-issue mini is written by *Minor Threats* co-creators Patton Oswalt and Jordan Blum with Timmy Heague (*Archie Comics' Fear the Funhouse: Toybox of Terror*) and art by Scott Koblish (*Deadpool*).

- **Four-issue series.**

John Sprengelmeyer (A)
(Cover A)

Holden McNeil and Banky Edwards are best known for creating the smoking-hot superhero comic-book *Bluntman and Chronic*—a tour de force of the dick-and-fart-joke genre. For Holden, it's a way to pay the bills, but he longs to create the kind of art he and Banky did at the beginning of their career. Something personal. Something that means something.

Enter Alyssa Jones. The coolest girl in the world, and someone who means something. This is the comic Holden wrote about her. A comic about love. A comic about insecurity. A comic about growth. A comic about *Chasing Amy*.

Experience a part of the epic *Avatar* saga that you won't see in the films! Originally planned as the sequel to the 2009 Academy Award–winning film *Avatar*, James Cameron's screenplay for *Avatar: The High Ground* was scripted and illustrated as three original graphic novels that are now compiled here along with an introduction and a 13-page sketchbook section that includes excerpts from the screenplay and character designs.

It's been more than a decade since Marine Jake Sully joined the Na'vi through an avatar body and became their leader in the fight against the destructive Resources Development Administration. Since forcing them to leave the moon, Pandora, Jake and his wife Neytiri have settled down and grown their family. Now, the RDA is returning, their massive fleet of ships are packed with firepower, and their militaristic Security Operations have a fierce directive to take control of Pandora. Jake has everything on the line. War has returned to the Na'vi homeworld and it will take all they have to save it. Can the RDA be stopped before they make landfall?

The year is 2188 and Jack the Ripper has returned to London.

For the last century, a shattered post-Brexit England has operated as a massive Victorian theme park in exchange for American military and financial protection. But when an American mogul's grandson is killed in the heart of London, the delicate status quo is threatened.

Is the killer a brilliant maniac? Americans taking advantage of their superior technology? Or the English Underground Resistance, wishing to throw off the yoke of American oppression and rejoin the modern world?

American Special Agent Jesse Holden and local British Police Detective Edwin Fogg must overcome their clashing ideologies in order to find the truth in the foggy streets of 22nd Century London.

Collects *Ripperland* #1–#4.

Before Two-Fisted Tales burst onto the scene in 1950, war comics were largely unsophisticated, focusing only on action and adventure—wartime propaganda, essentially. But under the editorial direction of Harvey Kurtzman—who also penned the majority of the stories therein—*Two-Fisted Tales* dared to examine all the horror and madness to be found on the battlefield.

Collecting *Two-Fisted Tales* issues #30–#35, now in an affordable paperback edition, this volume features—in fully remastered digital color—the work of comic book greats Gene Colan, Johnny Craig, Reed Crandall, Jack Davis, Will Elder, Ric Estrada, George Evans, Joe Kubert, Harvey Kurtzman, John Severin, and Wally Wood!

Jim Campbell (L)
Hayden Sherman (A) (Cover)

Picking up directly after the events of Part One, the remaining survivors form a distrustful and desperate team. Together they must journey across impossible landscapes and contend with their own changing biology in order to find their way back home. As their journey into the Unbeing deepens, the series' most disturbing questions are answered . . . but the answers offer little comfort.

Into the Unbeing is an adventure into the sublime from the critically acclaimed writer Zac Thompson (*Cemetery Kids Don't Die*, *Alien: Romulus*) and visionary artist Hayden Sherman (*Batman: Dark Patterns*, *Absolute Wonder Woman*).

Soon to be a major Netflix live action series, the fifth volume of T*he Magic Order* concludes the smash-hit adult fantasy story about a family of wizards who look after the world and protect us from the creatures lurking in the dark.

A lifetime of bad decisions finally catches up with the woman who protects the entire world from the forces of darkness.

They've protected mankind for a thousand years, but one by one they've been picked off by their enemies since Cordelia Moonstone used black magic and now she's the last wizard standing as they make their final push. This has been an astonishing series, this final volume is the best one yet.

Collects *The Magic Order* 5 #1–#6.

STARLIGHT LIBRARY EDITION

184pgs • $49.99 • Sept 9, 2025
ISBN: 9781506748948

Mark Millar (W)
Goran Parlov (A)

Mark Millar and Goran Parlov's sci-fi comic-book masterpiece about the world's greatest space hero coming out of retirement for one last adventure. Imagine you saved the universe in your 20s, but you're asked to do it again in your 60s.

Forty years ago, Duke McQueen was a space hero who rescued an alien world from tyranny, but nobody believed him when he came back home and told everyone about his adventure. Now his kids have grown up, his wife has passed away and life has little to offer him in his lonely retirement. Until an old-fashioned rocket-ship descends into his backyard and a little boy from the world he saved urges him to come back to save the universe one last time.

Can Duke handle the leap from has-been to hero? Will he even fit into his old costume?

Collecting the classic six-issue series from the superstar creative team of Mark Millar and Goran Pavlov, *Starlight* is one of the most beloved graphic novels of the past ten years. Soon to be a major movie from writer/director Joe Cornish, *X-Men* Producer Simon Kinberg and 20th Century Films.

"Starlight is a fantastic entry in Millarworld, being a very deep and emotional tale of life and heartache."

Lucas, Dustin, and Mike embark on a high-fantasy adventure with classmate Eddie Munson and his Hellfire Club in this new four-issue mini-series, collected here as a graphic novel!

Spell slinging, sword swinging, and the luck of the dice have shaped the lives of the Stranger Things boys well before they had real monsters to face. This D&D crossover delves into Eddie Munson's past and his rise to de facto leader of the Hellfire Club, and explores his recruitment of Lucas, Dustin, and Mike. Throughout, there are brilliant glimpses into the fantasy world of Dungeons & Dragons that they explore together. This book highlights what really makes tabletop RPGs great through the lens of the hit Netflix series.

An action-packed fantasy love letter to the nerds of the eighties who dared to roll dice before it was cool, written by Jody Houser (*Critical Role*, *Doctor Who*) and Eric Campbell (*Frank Frazetta's Dawn Attack*), and expertly drawn by Diego Galindo (*Stranger Things: Tomb of Ybwen*).

Collects *Stranger Things and Dungeons & Dragons: The Rise of Hellfire* #1–#4.

Hellboy is dead and the world as we know it is gone…but the Witchfinder is called upon to defend Avalon one last time.

Witchfinder Ed Grey is summoned by Alice, queen of the last standing realm on earth, to defend her and England against Morgan Le Fay and her champion in a final standoff. Grey must transform into the defender he was destined to be if England has a chance of surviving, while Le Fay has her own intentions.

Hellboy creator Mike Mignola and fan-favorite artist Ben Stenbeck team up for a final story after the end of the world, continuing the fantasy epic from *Koshchei the Deathless* and *Koshchei in Hell*.

This hardcover volume contains issues #1-#3 and includes a bonus sketchbook section and cover gallery.
